

# Bus Contract

## 2016-2017

The bus service will start again on the first day of school (*please remember that the first day's hours are 8:45 – 11:-00 am, the bus will leave by 11:15*). For reasons of financial management, we will collect bus fees in 10 months (Sept-June inclusive). The cost will be \$250.00 per month. Even at this rate the school is heavily subsidizing the bus costs.

**\*\*Absences:** Please call Thirdwave Bus Service (604) 247-1221. (Slowly and clearly leave your 'child's name, their school's name, and bus stop name) the night before or that morning if you know your child will be absent. Their machine will pick up the message. Due to time constraints the bus can only wait up to 2 minutes at each stop before leaving for the next stop on the route.

**Please arrive 5 minutes before pick up time**  
**Look for Yellow and Black school bus**

Indicate on the below form, which Bus Route and bus Stop your child will be at and **return this to M.L.A. as soon as possible** (complete with first months payment)

Bus routes are determined every year based on ridership.

This notice is to clarify the bus usage payment commitment.

The cost to parents per YEAR is \$2,500.00

This can be divided into 10 monthly payments of \$250.00 each, dated 1<sup>st</sup> of each month from September to June.

You cannot be in arrears. If payment is not received, your child may not ride the bus.

Please note – it does not matter how many school days there are in any month or how many times you use the bus. This is an ANNUAL commitment. Please know that the costs charged to parents do not cover the entire cost of the bus service.

Post dated cheques for the year would be most welcome
