

Mediated Learning Academy Admission Criteria:

Admission is subject to all policies and procedures that apply to all admissions, and to the more specific, apply to additional policies and procedures outlined below.

A. Copies of all relevant assessment reports need to be submitted with the application or brought to the admission meeting.

B. An interview with the parents will be scheduled. The student may also be asked to be present at the meeting.

C. Following the interview, the Principal will determine the levels of services needed, the equipment and facilities available, the impact of the student on the acceptable student to teacher ratio within the classroom, and assess the school's ability to effectively educate the student.

D. Students qualifying for our program may fall under the designation of:

1. Students with moderate intellectual disabilities (Category C). These students may require further expansion of their adaptive behavior skills.

2. Students with a chronic health impairment (Category D).

3. Students with visual impairment. (Category E).

4. At the moment we do not accept students who have a significant sensory neural hearing loss, nor those who are profoundly deaf. (Category F and B).

5. Students with autism (Category G) without severe behavior.

6. Students with learning disabilities (Category Q).

7. Students with mild intellectual disabilities (Category K).

8. We do accept limited involved students in Category A on a case by case basis.

9. We do not accept Category H students with severe behavior.

Students whose diagnosis is accompanied by intensive behavioral and /or mental illness assessment, have an adverse effect on our ability to deliver a quality education to all students.

Each application will be assessed on an individual basis, regardless of designation.

Administration does reserve the right to accept or decline the application based on any of the above criteria.
